

Top 5 Interview Questions for *The Cabin At Silver Ridge* by Jerry Snodgrass

Interview Lead-In

What if retirement wasn't the end of life's adventures, but the beginning of its most meaningful chapter? In *The Cabin at Silver Ridge: Introducing Huckleberry the Friendly Moose*, author and Vietnam veteran Gerald “Jerry” Snodgrass invites readers into the breathtaking Colorado Rockies, where enduring love, family connections, unexpected mysteries, and an unforgettable friendship with a gentle moose create a heartwarming story of second chances. Drawing inspiration from a lifetime of military and federal service, extensive travels, and a passion for family and humor, Snodgrass offers a refreshing perspective on finding joy and purpose at every age. An interview with Jerry promises an engaging conversation about the inspiration behind his novel, the importance of lasting relationships, the healing beauty of nature, and why life's greatest adventures may still be waiting just around the corner.

Interview Questions

1. What inspired you to write *The Cabin at Silver Ridge*, and how did your own life experiences influence the story? Having spent more than fifty years in military and federal service and traveled extensively, what motivated you to create a heartwarming adventure centered on retirement, family, and new beginnings?
2. Huckleberry is much more than an ordinary moose in this story. How did you develop his character, and what does he represent? What inspired you to make an unlikely friendship between a retired couple and a wild animal such an important part of the novel's humor, emotional warmth, and sense of adventure?
3. Jack and Marlene discover that retirement can bring renewed love, excitement, and purpose. What message do you hope readers take away from their journey? Why was it important to portray later life as a time of possibility rather than limitation, and what can readers of any age learn from their relationship?
4. Family, friendship, mystery, and humor are woven throughout the novel. How did you balance these elements to create a story that is both entertaining and emotionally meaningful? What role do the Colorado Rockies and the natural world play in bringing these experiences together?
5. As a Vietnam veteran, world traveler, and author who has experienced many chapters of life, what has writing *The Cabin at Silver Ridge* meant to you personally? What advice would you offer others who have stories to tell or dreams they have postponed, and what do you hope readers remember long after finishing the novel?
