## About the Book (Excerpts & Info)

These memoirs reveal author's wanderings in childhood and youth, his family roots and struggles, passion in discoveries of unique physical phenomena for designing space-exploration missions, and events that led him, born to be a scientist, to the decision to leave his homeland, the Soviet Union, seek an awkward life path in the U.S., and continue the engagement in both science and teaching—the main purposes of his life.

Deftly constructed at 165 pages, *Labyrinths of My Life: Scientist's identity roots and "road bumps" in two rivalry countries* is being aggressively promoted to appropriate markets with a focus on the BIOGRAPHY & AUTOBIOGRAPHY / Science & Technology category. With U.S. wholesale distribution through **Ingram** and **Baker & Taylor**, and pervasive online availability through **Amazon**, **Barnes & Noble** and elsewhere, *Labyrinths of My Life* meets consumer demand through both retail and library markets with a suggested retail price of $36.95 and $51.95, respectively.

Additionally, *Labyrinths of My Life* can be ordered by retailers or wholesalers for the maximum trade discount price set by the author in quantities of ten or more from the Outskirts Press Direct bookstore at **www.outskirtspress.com/bookstore**
